

Work for 13th - 27th March

Miss Quinn

Any Written work from this list – write it into your homework copy.

Homework Books: Read at Home pg. 71 – pg. 80.

Maths: Master Your Maths – week 22 & week 23 and the tests to go with both – just try your best! Anything you're not sure of just guess an answer, you might be right.

Maths sheets – long multiplication & short division – when you've finished them use a calculator to check your answers.

Photocopied sheets from Busy at Maths.

English: Photocopied Treasury Page 80, Read the book and film reviews on pg. 84 – use your dictionary or an online dictionary to look up the underlined words and write their meanings in your copy.

Read: Read a book of your choice – any book you have at home that you like (you can reread one you've read before) and write a report on it: include – Name of Book, Author, Number of Pages, List of characters, favourite character, 3 things that happen in the book, rating out of 10 and why.

Watch a film and write a review of that: include – Name of film, main characters, What happens in the film, your favourite part, rating out of 10 and why.

Project: Research any topic you would like on the internet and find information to put into a project.

Remember to make it look nice – draw pictures and decorate it, handwrite it don't copy and paste. Practice what you will say when you present your project to the class.

Online Activities: These should work on tablets/phones/computers.

Go to **topmarks.co.uk** – Learning Games – Age 7-11.

Maths Games: Mental Maths – Hit the button and Mental Maths Train.

The Daily 10 is a good game to challenge yourself.

Try some from the fractions and decimals section too.

English Games: Spellings and Grammar – What are Nouns? and The Adjective Detective.

Go to **storylineonline.net** - search for 'The House that Jane Built', watch the video and listen to the short story being read, design your own community centre based on the ideas that Jane had in the story, write about it and explain why you included the parts that you did.

Research: Choose one of these famous women to research and write 10 facts about: Mary Robinson, Eleanor Roosevelt, Golda Meir.
