

# Monday 27<sup>th</sup> April – Friday 1<sup>st</sup> May 2020

## Maths:

- Table Toppers: Revision F. (Division by 7, 11 and 12) pages 56/57

If you have completed Table Toppers or would like some extra practice, there is an additional sheet attached.

Keep going with any tables games you've been doing!

- Mental Maths: Week 28. Pages 83, 84 and 85.

I will put up the answers on Friday.

- Copy work:

Take one of the following numbers each day...

224      378      425      810      678

Use your number to do four sums into your copy....

1. Add 387 to it.
2. Subtract 199 from it.
3. Multiply it by 5.
4. Divide it by 2 (one answer will have a remainder)

There is also a Number Pattern sheet attached, if you'd like to try it.

## English & SESE:

We chose "Weather" as a theme for this week.

Write a weather "Alpha Box" where you write each letter of the alphabet, and see how many weather related words you can think of, beginning with different letters to fill your Alpha Box. (We did a Christmas themed one of these, and a few others)

There is a Weather/Irish lore reading comprehension attached. It has several varying difficulty levels, choose the one that suits you! Answer into your copy. You can do this instead of a page of Read at Home, or along with it.

Read at Home: Pick a page per day and write the answers into your homework copies. Don't forget to use your cursive handwriting as much as you can.

Reading Log: Make your own reading log and aim to read for at least 15 minutes each day. You can email me your log when you have it completed! Keep a list of new/interesting words you come across.

Spellings for this week are at the end of this document: Be a Spelling Champion on Friday! You may find it helpful to put these spellings into sentences, to practice using them. (Unit 25. See below).

See if you can remember this little poem, and which spelling of weather/whether is needed at different times.

*Whether the weather is fine,  
Or whether the weather is not,  
Whether the weather is cold,  
Or whether the weather is hot.  
We'll weather the weather  
Whatever the weather,  
Whether we like it or not.*

Continue your School Closure Diary. Again, you can email me some of your diary if you would like to share your thoughts and accounts of what you've been doing.
