Fraction Wall- Create your own fraction wall using strips of paper (see video instructions).

Cut 3 strips of paper of equal lengths.

Strip 1: Write 1 unit on the 1st strip, this will not be folded or cut.

Strip 2: Fold exactly in half and cut along the line.

Write the symbol for one half on both pieces.

Strip 3: Fold the next strip in halves and in halves again.

Cut along the folds and write the symbols for one quarter on each of the 4 pieces.

Stick the 3 strips onto a page, one unit on the top, the 2 halves directly underneath and finally the 4 halves directly under that.

Sample questions to ask using the fraction wall:

1. How many halves are in one unit?
2. How many quarters are in one unit?
3. What is bigger, on half or one quarter?
4. How many quarters are in one half?
5. What is bigger 3 quarters or one half?
6. If I lost one/two/three quarter how many would be left?
7. If I make one unit using halves and quarters, how many of each do I need?
