Thursday 2/4/20

English

- Learn how to do laundry/clothes washing.
 - Write a recount of how you did the laundry.
1. Where did you collect the dirty clothes from?
 2. What did you select on the washing machine?
 3. How long did the wash take?
 4. How did you dry the clothes?
 5. What did you do with the clothes once they were all dry?

When writing your recount remember to use capital letters, full stops, finger spacing and your best neat hand writing.

- Draw a picture of you helping out with the laundry.

Irish - Abair Liom 2nd Class

- **Abair Liom Ebook: Go to Page 13. Read the little story again 2 or 3 times**
- **Turn to Page 13. You can magnify by using the magnifying icon. In Activity C you have to listen and colour the fruit the correct colour. Your child can draw simple fruit, like in the picture, on a page. When she is ready, click on the red volume icon at the top of the page to listen. She talks quite quickly so you can pause or you can play it through a few times and each time your child may hear another colour and fruit.**
- **Activity D Page 13. Read the sentences out loud. Do you think you need “ar an” (on) or “sa” (in/inside)? Write each sentence on a page.**

Maths - Planet Maths 2nd Class

Friday 3/4/20

English - Literacy Leap 2nd Class

- Literacy Leap online – pg. 13 complete Grammar and Writing activities.

Irish - Abair Liom 2nd Class

- **Abair Liom Ebook: Go to Pg. 14. This is a listening and talking page. Your child should sound out the words that match the pictures and try to listen for the “i” sound. The “i” sound makes an “ee” sound funnily enough! E.g. brioscaí (brisk-ee) or bananaí (banan-ee). Your child draws and colours fruit that have this sound at the END of the word.**
- **Try watching one of the shows on Cúla 4 <https://www.cula4.com/en/cula4-nog/shows/>**
- **“Peig agus Cat” or “Dot” might be suitable, but have a browse! Of course, the standard of Irish is high, but it will be very good for your child to listen and try to pick up some words along the way**
