1. Your address (you can make up an address for this exercise).
2. The date. 3. Dear
4. Three paragraphs, one asking your classmate how they are, two telling your classmate what you miss and three saying what you have been doing during lockdown.

5. Sign off your letter with From or Love or See you soon etc.

Take a photo of your letter and upload it to your Journal. I will correct the letter and give you some instructions on how to improve it for your second draft. Once the final draft is submitted, I will send the finished letter to whom it is addressed.

Irish:

- Bua na Cainte Pg. 127.
- 1. Read the colour words in the first two columns. Out loud!
- 2. Now read the sentences on the right. They use “ort” at the end of each sentence. This means “on you” e.g. Tá cóta ort = You are wearing a coat or The coat is on you.
- 3. When you think you are ready, challenge yourself by writing in the colour words without looking up at the top! See how many you get without looking ☺
- 4. Now read the sentence below out loud. Write your own sentences. Don’t forget to put the correct colour in the sentence.
- Record yourself reading your colour words and sentences on your Seesaw Journal, using the microphone button.

If possible, show your child a container weighing 1kg e.g. a bag of sugar. You could weigh out sand rice or flour into a ziplock bag if you need to.

1. Allow your child to feel the weight of 1kg in their hands.
2. Using other objects (apple, cup, pencil, book, shoe, yogurt, sock, sponge, spoon, tin of beans, stone) ask your child to guess/estimate if they weigh more/less/about the same as 1kg.

3. Using the 1kg weight in one hand and the object in the other they can compare each one and say “This is less than/ more than/ about the same as 1kg.
4. If you have a scale you can weigh each object and accurately check to see if her estimates were correct.
