

# I am crazy and dramatic

I am crazy and dramatic  
I wonder how long I'll be at home  
I hear flowers singing  
I see Mordor  
I want to game all day  
I am crazy and dramatic

I pretend I'm an animal  
I feel my tail  
I touch the sky  
I worry about zombies  
I cry when I listen to "Lovely"  
I am crazy and dramatic

I understand Polish  
I say ghosts exist  
I dream of singing  
I try my best  
I hope I'll finish PvZ  
I am crazy and dramatic
