

Monday 11th – Friday 15th May 2020

Maths:

- Table Toppers: We've finished the book now, but if you missed any parts, you might get a chance now to go back on them. It's also great to practice with games online, or with dice etc. so you don't get rusty 😊
- Mental Maths: Week 39. Pages 89, 90, 91. I'll send answers on Friday.
- Copy work.

Take one of the following numbers each day...

488 678 278 933 1122

Use your number to do four sums into your copy....

1. Add 277 to it.
2. Subtract 250 from it.
3. Multiply it by 15.
4. Divide it by 3

There is also a Maths perimeter sheet; you might like to try some or all of it.

<https://www.youtube.com/watch?v=AAY1bsazcgM>

There is a video here that explains lots about perimeter. It might help you remember what perimeter means.

Don't worry if you don't get to all parts of the maths. You might find that Mental Maths & the sums are enough per day, or a different combination.

English & SESE:

We chose "Summer" as a theme for this week.

- There is a Reading Comprehension attached, explaining which months are counted as summer in Ireland compared to some other countries & also some other information. Just choose ONE level to try.
- There have been some great Alpha-boxes put together. See how many summer related words you can think of. The Summer in Ireland text might help.

- Reading Log & School Closure diary: Keep going with these if you have been doing them. It'll be great to have an account of what you've read and what you've been up to!
- Spellings for this week are at the end of this document. You may find it helpful to put these spellings into sentences, to practice using them. (Unit 27).

Poem "Windows"

There is a nice summer related poem attached, for you to read and enjoy.

An Ghaeilge:

Here are some litriú/spellings for the week; they are all related to Summer/the Beach. We can look forward to getting back to Tramore! See can you figure out why Tramore's Irish name is Trá Mhór.

Choose a few to learn per day and test yourself on Friday!

You may find the attached worksheets helpful for practice, but don't worry if you can't print them/don't get to them.

trá – beach	an fharraige – the sea
bád – boat	bríste snámha – swimming trunks
spád – spade	culaith shnámha – swimsuit
buicéad – bucket	ag snámh – swimming
