## Maths:

- Table Toppers: We've finished the main parts of the book now, but please check the practice tests at the end if you haven't done these already (p70-75). One a day would be great revision. It's also great to continue with games online, or with dice etc. so you don't get rusty 😊
- Mental Maths: Week 40. Pages 92, 93, 94. I'll send answers on Friday.
- Copy work.

Take one of the following numbers each day...

555      666      777      888      999

Use your number to do four sums into your copy....

1. Add 345 to it.
2. Subtract 321 from it.
3. Multiply it by 22.
4. Divide it by 5

There are two short Weight maths sheets attached (to link to our theme of Food); you might like to try some or all of these.

Don't worry if you don't get to all parts of the maths. You might find that Mental Maths & the sums are enough per day, or a different combination.

## English & SESE:

We chose "Food" as a theme for this week.

- There are two Reading Comprehension activities attached, one about Vegetables and one about Fairtrade. You can do ONE OR BOTH, choosing your level.
- There have been some great Alpha-boxes put together. See how many food related words you can think of.
- Reading Log & School Closure diary: Keep going with these if you have been doing them. It'll be great to have an account of what you've read and what you've been up to!

- Spellings for this week are at the end of this document. You may find it helpful to put these spellings into sentences, to practice using them. (Unit 28).

### Poem “Breakfast”

There is a nice food/breakfast related poem attached, for you to read and enjoy. They say breakfast is the most important meal of the day.

### An Ghaeilge:

Here are some litriú/spellings for the week; they are all related to Food/Bia.

Choose a few to learn per day and test yourself on Friday!

You may find the attached worksheets helpful for practice, but don't worry if you can't print them/don't get to them.

arán – bread	cáis – cheese
im – butter	glasraí – vegetables
subh – jam	prátaí - potatoes

# Breakfast

What do you do when you get out of bed  
And you have a dry throat and you have a sore head  
And you feel like one of the living dead?  
Have breakfast.

It's a plate of fuel for the rest of your day  
It's a bowl of power for work, rest and play  
You wouldn't have it any other way -  
It's breakfast.

If you don't eat it you'll feel all grouchy  
You'll feel all shuffly, you'll feel all slouchy  
So shovel it in your little pouchy -  
Have breakfast.

It's porridge! It's toast! It's a blueberry muffin!  
I'll tell you one thing and I'll tell you for nothin' -  
Your belly is empty, you need to get stuffin'!  
No more huffin'!  
No more puffin'!  
(Although they do eat puffin in Greenland...)  
**HAVE BREAKFAST!**

(This poem was brought to you by  
the National Breakfast Association)

Joshua Seigal

## **Dodgy Food Fact**

The National Breakfast Association (NBA) was an organisation set up in Lithuania in 1822 to promote breakfast. Before that, people used to wait until lunch before eating. They would frequently faint through hunger.
