Well done on all of the excellent work so far. We are super proud of what you've achieved during these strange times. While it is difficult being apart, just remember that you are the first generation of children in a very long time to go through something like this, You will go down in history 😊 We have attached a COVID-19 story with your resources this week - have a read through it with an adult, it might help to answer any questions you have or put some of your worries to bed!

We are looking forward to hearing from you all very soon, don't forget to GET ACTIVE 😊
