

Hi everyone,

I hope you all are well. I would like to thank you for the wonderful photos of your child carrying out capacity, *Gaeilge* and home activities. I also want express my gratitude to all the adult helpers in the voice clips - those reading questions for their child to read their answers, helping with how words are pronounced and much more!

The lessons that have been uploaded so far are still available on Seesaw, if your child wishes to continue where they stopped.

Please find attached here and on school website, our learning activities for this week. As we are now getting used to Seesaw, *Sounds in Action* and *English in Practice* pages that your child completes from now on, can be uploaded there as photos. From tomorrow, you will be able to see a section for these on Seesaw.

On Friday, there will be a recording of me reading the spellings, which your child will be able to listen to and write down their answers.

Just a gentle reminder that I am still available via email at misscurry1st@gmail.com or Aladdin, for any questions you may have.

Take care,

Ms. Curry.
