

A Smile's Worth

Smiling is contagious
You catch it like the flu.

When someone smiled at me today
I started smiling too.

I walked around the corner
And someone saw me grin.

When he smiled I realised
I had passed it to him.

I thought about the smile
And then realised it's worth.

A single smile like mine
Could travel round the earth.

So if you feel a smile begin
Don't leave it undetected.

Start a craze
And get the world smiling.
