

# Monday 15<sup>th</sup> – Friday 19<sup>th</sup> June 2020

Friday June 19<sup>th</sup> is our school's "Virtual" Sports Day. We usually spend the whole day outside, playing games and trying different sports, so you don't need to do any other subjects on Friday! Perhaps you could learn a smaller number of litriú etc, and do your tests on Thursday. See attached for details on the Virtual Sports Day.

## Maths:

**I suggest doing Mental Maths & the attached revision sheets.**

- There is a multiplication word problem sheet, and a tables sheet.  
The tables sheet has 6 columns; perhaps do two a day & time yourself! It will be so helpful for next year if you know your tables well, and can answer quickly.
- Mental Maths: Week 35: Pages 104-106. I'll send answers on Friday.

## English & SESE:

- Our theme this week is Ireland, you did some work before we closed about tourism for Ireland, looking at brochures etc. Below are some suggested activities about Irish mammals, Rivers of Ireland etc.
- I've attached the counties poem which I think you know from 3<sup>rd</sup> class. It's a great one to practise.
- The list of spellings below is a short one, and our last list, so give it your best effort!

## An Ghaeilge:

- Here are some litriú/spellings for the week; the topic on the sheets is Sa Gháirdín (in the Garden). Choose a few to learn per day and test yourself on Thursday/Friday. You may find the attached worksheets helpful for practice, but don't worry if you can't print them/don't get to them.

gáirdín - garden	garáiste – garage
bláthanna – flowers	ráca – rake
féar – grass	ag rácáil – raking
crann – tree	spád – spade
éan – bird	ag rómhar – digging
nead - nest	cré – soil/earth

## Counties of Ireland Poem

We are Munster's counties fair.  
Cork, Kerry, Limerick, Clare,  
Waterford, Tipperary here we are,  
Welcoming you from near and far.

Leinster is beyond compare,  
Dublin, Wicklow, Carlow, Kildare,  
Wexford, Offaly, Laois, Kilkenny, Longford and Louth are as  
good as any.

Meath, Westmeath and that is all.  
Over now to province that is small.

Connacht is the smallest oh,  
Galway, Leitrim and Mayo,  
Roscommon, Sligo that's the lot,  
Just one more verse for you we've got.

We are Ulster's counties nine,  
Let's forget the dividing line,  
Donegal, Derry, Antrim, Down, all our counties of renown.  
Armagh, Monaghan and Tyrone, Cavan, Fermanagh  
now all are known.
