

## Week 15<sup>th</sup> – 19<sup>th</sup> June

### Maths

Revision Worksheets –

Q10 Adding and Subtracting Fractions

Q11 Multiplying Fractions

Q12 Dividing Fractions

Q13 Adding time

Q14 Subtracting Time

### English

**No more spellings to learn 😊**

Treasury pg. 90 – Reading Comprehension, ‘The Ratcatcher’ If you don’t know or are unsure of any of the words in blue look up the meanings in your dictionary, pg. 91 A Questions & Vocabulary match the word

Writing Treasury pg. 91 B – Choose from Q1 write a diary entry or Q2 design a poster

Treasury pg. 92 – Try the riddles at the top of the page yourself and see if you can figure them out, the answers are underneath, you could look up some other riddles too, I’d love to hear if you find any good ones!

Treasury pg. 92 – Phonics – Just circle the correct word in each sentence

Treasury pg. 93 – Grammar – No need to rewrite the sentences just cross out the word that doesn’t make sense and change it so that it does make sense. For example in Q1 you would cross out ‘goes’ and write ‘go’

In the second Grammar exercise again no need to rewrite it just cross out the highlighted words and write them in the past tense, so to start you’ll cross out ‘stares’ and write ‘stared’

Keep reading books that you like at home

### Gaeilge

Attached are two pages of reading (leitheoireacht): Ce Mhead? and An Bia is Fearr Liom

They’re not difficult. Try to read them aloud and you can answer the questions orally or write them out. Bain triail astu! (give them a go!)

## **SESE: Geography**

Our last bit of work on maps this week, do the questions about the map of Waterford, go to townmaps.ie and find the Waterford city map, then do the question sheet about it from your plastic pocket

<https://townmaps.ie/waterford-city-map/>

## **Movement/Mindfulness/P.E.**

**Coordination Activity (Imaginary Animal Movement):** Watch this video link and try to be as creative as you can with the way your imaginary animal can move!

<https://www.youtube.com/watch?v=SojwM7-ej5s>

There's another video attached to see how our volunteers managed the activity!

This Friday is our virtual sports day! There will be no work assigned but we'd love if you could take part in some sporting activities. There are some examples attached that you could try or make up your own ideas, do the activities that you enjoy yourself and maybe get some of your brothers or sisters involved too! We'd love to hear how you get on so be sure to send in pictures or videos! 😊

## **Music**

Lots of songs are made famous by films. Try this quiz and see if you can name the movies the songs are from

[https://www.youtube.com/watch?v=jGqrn\\_Fz44](https://www.youtube.com/watch?v=jGqrn_Fz44)

Think of a song from a film that you like: Write the name of the song and the film that it's from

Like we did a few weeks ago write a short description of its tempo (fast/slow), dynamics (loud/soft) and pitch (high/low)

What is happening in the film when the song is played? Do you think the tempo/dynamics/pitch of the song suit the action that is happening in the film and why?

## **Art**

Lollipop stick art, use a lollipop stick (there should have been one in your plastic pocket) to create something imaginative. There are some examples attached to get you thinking. You can use any materials that you have at home and be as creative as you like!
