

Monday 15th – Friday 19th June

THEME: IRELAND

As Friday is our Virtual Sports Day only four days of work to be done this week! As always, do as much as you can and remember you are all stars!

Maths:

TABLES: Revision of all tables, multiplying and dividing.

Monday: 2s, 4s, 8s.

Tuesday: 3s, 6s, 9s.

Wednesday: 5s, 10s, 7s.

Thursday: 11s and 12s.

Be a tables champion at home!

Tables Toppers: Completed! Well done!

Mental Maths: Week 33. Pages 98, 99, 100. I will put the answers up on Aladdin each day.

Topic: Area of squares:

Remember to get the area you multiply the length by the width so if one side of a square is 8cm then the area is $8\text{cm} \times 8\text{cm} = 64\text{cm}^2$.

I am attaching three activity pages with the answer sheets so you can check your answers when you are finished. You don't need to print out these pages, just copy down the numbers in your copies.

The following website has a lot of free maths activities you can do on line! A great way to practise your multiplication / division / time / fractions etc.!

<https://ie.ixl.com/math/class-4>

ENGLISH:

Another reminder about J.K. Rowling's unpublished book that can be read on line. It is called The Ickabog and she is posting a chapter or two every weekday between 26th May and 10th July on The Ickabog Website.

J.K. Rowling also has an illustration competition for you to enter if you would like to and you never know

your illustration might be included in the finished book when it is published in November!

IRISH MAMMALS: I am attaching two activity pages about mammals that are native to Ireland. Did you know that the pygmy shrew is Ireland's smallest mammal? Don't worry about printing these pages, you can read the information and do the exercises in your copies.

POEM: Do you remember the "Counties of Ireland" poem?! I am attaching a copy of it for you to revise so you can impress your families when you have it off by heart!!

SPELLINGS: Unit 32. Do as many as you can and be a spellings champion on Thursday!

Log into <https://ie.ixl.com/ela/class-4>

And complete some activities on it.

ALPHABOX: Draw out 26 squares in your copy and fill in each box with as many Irish towns, cities or

counties that you can think of! (You might need a map of Ireland for this job!)

A = Armagh, Antrim.

B = Belfast, Blarney.

C = Carrick-on-Suir, Cavan

D.E.A.R.: (Drop Everything and Read).

Aim for at least 15 minutes of silent reading every day.

INTERESTING WORD LIST: Keep a list of new or interesting words you come across in your reading.

READY STEADY WRITE: As you have this writing book at home now you may pick and choose pages to do to practise your writing skills.

There are some free online books available at:

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

GAEILGE:

LITRIÚ: Sa Ghairdín (In the garden)

gairdín = garden

bláthanna = flowers

féar = grass

crann = tree

éan = bird

nead = nest

garáiste = garage

ráca = rake

ag rácáil = raking

spád = spade

ag rómhar = digging

cré = soil

**Do as many as you can and test yourself on Thursday.
I am attaching three activity pages based on these spellings. Again, don't worry about printing these pages, just do the activities orally or draw/ write them out if you have time.**

GEOGRAPHY:

As Ireland is our theme for the week I am attaching some activity pages for you to do as best you can.

Firstly, there is a map of Ireland for you to fill in the county names. See how fast you can do this!

The next two pages require you to study the map of Ireland concentrating on the rivers and lakes. The rivers are the blue lines on the map and the lakes are the small blue irregular shapes!

HISTORY:

I am attaching a powerpoint on the Presidents of Ireland for you to have a read!

SCIENCE:

You might enjoy another fun experiment this week!

Click on the following link to find lots of fun Science experiments. www.sciencekids.co.nz/experiments.html

Pick one you find interesting (you can do more if you want) and try it out. Take some photos if you can and then write up your experiment using the following headings if you can:

a) Title

b) Materials (What you needed)

c) Purpose (I wonder what will happen)

d) Procedure (method)

e) Results

f) Conclusion (I learned)

Include an illustration if you can't take photos.

ART:

Keith Haring 'Hug'

Keith Haring was a well known pop artist of the 1980's. He was famous for a style of bold figures with bright colours, and radiating lines coming from them. This tutorial will show you how to imitate one of his famous paintings of two figures sharing a hug. Have a go! <https://artprojectsforkids.org/keith-haring-drawing-project/>

RELIGION:

Keep up your daily prayers!

Try and do one kind deed every day for your Mam, Dad or someone else in your family or neighbourhood.
